2. Though all description and commentary are believed to be correct, neither the Auctioneer nor Consignor makes any warranties or representations of any kind with respect to the property and in no event shall be held responsible for having made or implied any warranty of description, genuineness, authorship, attribution, provenance, period, culture, source, origin, condition, etc.
3. Buying fee collected on all vehicles.
4. A bid by any person shall be conclusive proof that the person has made themselves acquainted with these conditions of sale and has agreed to be bound by them.
5. The Buyer shall be the highest bidder. Should a tie or dispute arise between two bidders, the Auctioneer may, at their discretion, re-open the bidding between the high bidders until property is sold.

6. To maintain the continuity of the sale it shall be the duty of the Auctioneer to advance the bidding at their own discretion, and may reject a normal or fractional advance should it, in their estimation, prove injurious to the sale.
7. In the case upon which there may be a reserve price, the Auctioneer shall have the right to bid on behalf of Consignor, or Consignor may wish to bid personally, or by Agent. However, in all cases, full commissions are due and payable to Auctioneer without distinction or preference shown to such Consignor or Agent should he/she become the successful bidder.
8. Prior to removal of purchases, payment must be made using the accepted methods of payment listed above. Unless exempt by law, the Purchaser shall pay any and all applicable taxes.
9. Upon the fall of the Auctioneer's hammer, and/or when the Auctioneer says "sold", title on the property shall pass to the highest bidder, who thereupon assumes full risk and responsibility. 13. Removal – Removal shall be at the expense, liability and risk of the Purchaser. Purchases will be delivered only on the presentation of a paid bill. Auctioneer shall not be responsible for goods not removed within the time specified and shall have the option of removing and storing at the expense and risk of the Purchaser any article purchased but not paid for and removed within the specified time. Non-delivery responsibility – Auctioneer shall not in any event be liable for non-delivery or for any other matter or thing, to any Purchaser of any lot other than for the return to the Purchaser or the deposit or sum paid on said lot, should the Purchaser be entitled to it.
